

Additional health insurance options to protect your **hard-earned wages and savings.**

We're proud to offer **Accident, Critical Illness and Hospital Indemnity Insurance** products from LifeSecure Insurance Company as new benefit options.

While medical coverage provides benefits to help with life's unexpected events, such as an accidental injury, serious disease or hospital stay, they often come with additional out-of-pocket costs. That's where these insurance products can step in with cash benefits to help pay for expenses such as:

- Co-pays and deductibles
- Day-to-day activities, like meals, child care, housekeeping, or transportation
- Anything else - you decide how to use the benefits!

Pairing Accident, Critical Illness and/or Hospital Indemnity Insurance with your medical plan, you can extend your protection to help prevent financial setbacks, and focus on recovery.
