Getting Started is Easy!

For employees or members of:

Completing a LifeSecure insurance application online is easy. This instruction sheet will guide you through the steps.

1. Go to YourLifeSecure.com and select *Worksites & Associations* from the secure login menu in the upper-right corner.

Enter group number: _____

2. The application begins with a few demographic questions.
3. Next, select your coverage options and provide answers to health questions, if applicable.
4. Finally, authorize your method of payment for the premium amount and acknowledge that you have read and reviewed all information.

NOTE: If you don't complete the application on your initial visit, you may return to YourLifeSecure.com to access your partially completed form later. Simply select *Worksites & Associations* from the login menu, and enter the username and password you selected during your prior visit.

That's it! The entire process generally takes about 15-20 minutes.
